The ICPJ *Iraq Next Steps Committee* is joining the National Religious Campaign Against Torture (NRCAT) in making June 2008 the month for Banners Across America!

NRCAT is asking congregations of all sizes, from every state, and all faiths, to join in a public witness against torture by displaying a banner outside their place of worship during Torture Awareness Month June 2008.

Please join with other congregations across Washtenaw County and across the country to speak out on this important moral issue.

My congregation **will hang** a banner for torture awareness month

My congregation is **considering** hanging a banner.

We would like to order a "torture is wrong" banner from ICPJ (banners include ICPJ and NRCAT logos and are printed on an environmentally-friendly recycled plastic). The banners are 3'x 9' for \$155.
